5 days Discover Stewart Island

January – September 2022

Stewart Island is a true nature's paradise and offers a special experience - a glimpse into a simpler, slower lifestyle, in rhythm with the sea and the tides. 85% of the island's 1570 square kilometres is a National Park – Rakiura National Park. Stewart Island also has a Dark Sky Sanctuary accreditation by the International Dark Sky Association. Whether you want to enjoy the land, sea and night-scapes, view the wildlife, walk, boat, fish, dive, kayak, hunt or just relax - a Stewart Island holiday is an experience that you will treasure for ever and a must-do experience.

Day 1 Bluff to Stewart Island

Your journey starts in Bluff where you will board the Ferry to Stewart Island*. Experience Foveaux Strait onboard an express catamaran. During the one-hour crossing on the Stewart Island Ferry between Bluff and Oban keep a lookout for wildlife, especially seabirds. Comprehensive commentaries provide information on the interesting landmarks commonly seen, including Dog Island Lighthouse, Ruapuke Island, the Titi Islands and Mt Anglem - Stewart Island's highest point. After crossing Foveaux Strait and arriving at Oban – the main settlement on Stewart Island you will be transferred to the Bay Motel.

This afternoon explore Oban and the surrounding bays in a modern mini-bus tour. Experienced guides enjoy sharing their local knowledge of the history and environment of Stewart Island with you. Gain an entertaining insight into New Zealand's southernmost community. Stewart Islanders are proud of their island, enjoying its simpler, slower pace. During your tour, there is plenty of time available for photo stops and short walks. Highlights

include Lee Bay, the gateway to Rakiura National Park and stunning views of Paterson Inlet from Observation Rock during this 1 hour 30 minute tour. On return to the motel you have the afternoon free to relax.

Day 2 Ulva Island Tour & Night time Kiwi Spotting Tour

B

Ulva Island (Te Wharawhara), is renowned for its diverse and abundant birdlife with a forest dominated by Rimu, Southern Rata and Kamahi, surrounded by marine reserve. It was visited by Ngai Tahu Maori as part of their food gathering trips and in the 1890s it became one of New Zealand's first reserves. This 267 hectare island is now predator free, allowing the bird and plantlife to thrive. Enjoy a leisurely cruise from Halfmoon Bay viewing hidden coves and unspoilt beaches. Along the way learn about the early Maori history and European settlement including whaling. Your skipper and nature guide provide detailed commentary throughout the cruise and are happy to answer any questions. While on board, keep a lookout for fur seals, penguins and other wildlife, as sightings are common. Then disembark at Ulva Island for a 45-minute guided walk with a specialist nature guide. View rare plants and rich birdlife, including the inquisitive weka, which are often seen on the beach. Returning to the motel in the afternoon.

At dusk depart from Stewart Island's Halfmoon Bay in a catamaran for a cruise across Paterson Inlet to Little Glory Cove. During the cruise, pass Ulva Island and learn about Stewart Island's rich history. Once at Little Glory Cove, disembark onto a wharf at the southern part of the peninsula known as

The Neck. The walk, led by your nature guide, is on a well-formed track across the peninsula, through spectacular coastal forest to a secluded sandy beach. As dusk sets in and daylight diminishes, venture by torchlight through the native forest with the stars and forest night sounds around you. The walk will take about 45 minutes one-way and the track emerges on to Ocean Beach. This wide sandy beach is where kiwi are often found feeding among the grasses and seaweed. Afterwards retrace your steps through the forest to Little Glory Wharf for your catamaran ride back to Oban township on Stewart Island.

Day 3 Paterson Inlet Cruise

B

Today depart on a cruise from Golden Bay. Between 1923 and 1933 the Ross Sea Whaling Company of Norway made 9 expeditions to Antarctica while using a base in Paterson Inlet. 'The Whaler's Base' was used to repair the whale chasers in between whaling seasons. Enjoy your skipper's commentary and explore the relics still to be seen at the base: the old rusty workshop boiler on the beach and the foundations of the slipway. There is also an optional walk through to the beautiful Millar's Beach, time permitting.

Arrive back at Golden Bay where you have the afternoon free to relax.

Day 4 Free Day to explore - optional activities (fishing, bush walks, kayaking)

B

Today is yours to enjoy how you see fit. You could visit the museum, walk the short tracks, stroll around the bush clad streets – so much to see. Get on a bike – push yourself or grab an electric one. Great beaches to explore and a cool way to get there. Create your own pendant out of pounamu (greenstone) with Dave at Rakiura Jade. Hire a kayak and explore the bays in this pristine nature's playground.

Day 5 Stewart Island to Bluff

B

Today it is time to depart this paradise island and return to real life. Board the catamaran and enjoy the cruise across the Strait to Bluff.

Bay Motel Stewart Island

All large units have views of Half Moon Bay or the surrounding bush. Enjoy the view from your balcony, listening to the local birdlife.

Stewart Island Lodge

Private and secluded, Stewart Island Lodge is a nice place to relax in comfort while providing a base for your Island exploration. It's just five minutes' walk from the village centre where there are restaurants and a small pub. Set on a hillside overlooking Halfmoon Bay.
